Manufacturer Certification Statement- Attic Fans

Residential Homeowner Tax Credit

NuLight Solutions, Inc. certifies that the following products, as indicated, qualify for federal tax credits for solar energy systems under photovoltaic systems as prescribed in the Energy Improvement and Extension Act of 2008(P.L. 110-343)

Solar Powered Attic Fans
Fan-Attic Model # 9900
Fan-Attic for Tile Roof Model # 9902/9903

This statement certifies only that the above referenced NuLight Solutions, Fan-Attic products placed in service from January 1, 2009 through December 31, 2016 qualify. All products must be installed per the manufacturer’s installation instructions and must meet applicable fire and electrical code requirements to be eligible.

Taxpayers are not required to attach this certification statement to the return on which the credit is claimed. Income tax regulations require taxpayers maintain records sufficient to establish the entitlement to any credit claimed.

Under penalties of perjury, I declare that I have examined this Certification Statement, and to the best of my knowledge and belief, that facts are true, correct and complete.

Mark E. Edwards
President
NuLight Solutions, Inc.

Disclaimer

This certification statement is made as of September 28, 2009 and NuLight Solutions, Inc. makes no warranty as to the qualification of the products for federal tax credits if there are changes in requirements or applicable law after such date.

NuLight Solutions, Inc. is not a tax advisor. Taxpayers claiming a tax credit should consult a tax professional with any questions. NuLight Solutions, Inc. is not responsible or liable for the taxpayer’s ability to receive tax credits. This document is not intended to constitute legal or tax advice. More comprehensive information is available through the IRS.

The user maintains the full and complete responsibility to comply with all codes, laws and regulations applicable to the safe and proper use, handling and installation of the product and should consult with a professional for all construction and design related questions. The information contained herein is believed to be accurate as of the time of preparation. However, NuLight Solutions, Inc. makes no warranty concerning the accuracy of this information.
